Department of Defense, Office of the Secretary of Defense
FOIA Office
1155 Defense Pentagon
Washington, DC 20301-1155

October 30, 2019

To Whom It May Concern:

Pursuant to the Freedom of Information Act, I hereby request the following records:

The Office of the Secretary of Defense put a proposal online in April of this year. In it, the office stated "The Department of Defense's (DoD) Rapid Reaction Technology Office (RRTO) will conduct a Solutions Meeting to support efforts to enhance the defense and protection of critical weapon systems. The Solutions Meeting will take place in Summer 2019 in McLean, VA. The Meeting provides selected innovative companies with an opportunity to make short technical presentations to government representatives about their technologies and products.. There is a potential for companies to be selected for pilot projects or experimentation if their technology appears to match the DoD's needs."

I am requesting a copy of all companies that submitted an application for the Solutions Meeting. In particular, the DOD stated "Companies interested in participating in the Solutions Meeting should submit an application to RRTO Innovation via e-mail to osd.pentagon.ousd-atl.mbx.rrto-innovation@mail.mil. " In particular, there should be emails with the Email subject line "JAIC Solutions Meeting Application" per DoD's instructions.

I am seeking the full emails of all vendors who sent a proposal between April 1st 2019 and August 1st, 2019.

The requested documents will be made available to the general public, and this request is not being made for commercial purposes.

In the event that there are fees, I would be grateful if you would inform me of the total charges in advance of fulfilling my request. I would prefer the request filled electronically, by e-mail attachment if available or CD-ROM if not.

Thank you in advance for your anticipated cooperation in this matter. I look forward to receiving your response to this request within 20 business days, as the statute requires.

Sincerely,

Freddy Martinez
